

Banana Knives - Cuchillos Bananeros

HYDETM
Industrial Blade Solutions

Hyde Banana Knives - The world's finest quality banana knives are made from the finest quality high carbon and stainless steels. Consistent flexibility without breakage assures greater knife control and minimizes damaged fruit. Choose from special hardwood and floating poly foam handles for de-handing and selecting.

"Hyde banana knives simply last longer than any of the other knives out there in the market. They do the job for us day in and day out."

Banana Plantation
Supervisor

Made in USA

Cuchillos Bananeros Hyde - Los mejores cuchillos bananeros del mundo, hechos de acero de alto contenido de carbono y acero inoxidable, de la mejor calidad. Su consistente flexibilidad evita que se rompan, asegurándole mayor rendimiento del cuchillo y un mínimo de fruta dañada. Se ofrecen mangos especiales de madera dura y espuma flotante de polipropileno, para desman y seleccionar.
